Hiking and walks in the snow

The surroundings of Pinzolo and Madonna di Campiglio offer various hiking and walking routes, immersed in fairy-tale environments and enchanted forests with spectacular views of the snowed peaks of the Dolomites, declared by UNESCO a "World Heritage Site".

Starting from € 450 – Max 6 people.

Guide included for the entire experience.

Excluded: transfer service from the Resort to the starting point of the excursion and optional lunch in hut.

Cross country skiing

Cross-country skiing is great for those looking for a more intensive workout at slower speeds, to better enjoy the woodlands of the Adamello-Brenta Natural Park. It is possible to practice this activity in the 22-km cross-country trail of Campo Carlo Mango or the 5-km trails of Carisolo.

Starting from € 450 – Max 4 people.

Guide included for the entire experience.

Excluded: equipment rental and transfer service from the Resort to the starting point of the excursion.

Dolomites Snowshoe Trips

Snowshoes are ideal for winter excursions in the mountains. Immerse yourself in enchanted forests surrounded by the Dolomites, take walks in the most hidden side valleys or on the most famous paths. It is also possible to end the experience with an aperitif or a traditional dinner in a local hut.

Starting from € 480 – Max 6 people.

Guide and equipment included during the entire itinerary.

Excluded: transfer service from the Resort to the starting point of the excursion.

Ice climbing

A snowshoe hike through the most beautiful valleys of the destination, up to the frozen waterfalls: here, in the beauty of enchanted landscapes, you will be accompanied by expert guides to experience the thrill of climbing up the ice formations with crampons and ice axes.

Starting from € 650 – Max 4 people.

Guide included during the entire itinerary.

Excluded: equipment rental and transfer service from the Resort to the starting point of the excursion.

Ski mountaineering, the other face of ski

Ski mountaineering is more than just a sport: it is a lifestyle for those who loves nature and silence. It is a way of discovering the unspoilt environment of the Rendena Valley, bordered to the east by the Brenta Dolomites and to the west by the Adamello-Presanella massif. This experience can be carried out while enjoying a full breakfast waiting for the sun to rise.
